

VOTE THE REALTOR®
PARTY ON NOV. 6

November 6, 2007 • General Election

SAMPLE BALLOT

Do your part to make the REALTOR® voice heard loud and clear during Mississippi's general elections on Tues., Nov. 6. To remove the guesswork, MAR provides you with this sample ballot to pull out and take to the polls as your guide.

Listed on the following pages is the slate of candidates as of September 28, 2007, that MARPAC is endorsing during the statewide general elections in 2007. Many MARPAC supported candidates do not appear on this list because they won their elections during the August primaries and do not have general election opponents.

Incumbents on the list have demonstrated support for REALTORS®

by listening to your views on issues that affect you, and by speaking and voting for the REALTOR® position on those issues in the Legislature.

The following MARPAC-endorsed candidates have demonstrated an understanding and support for issues like housing, real estate and property rights issues that impact your business. That's why they deserve your vote in the Nov. 6 primary election.

When you and 6,500 other Mississippi REALTORS® (as well as your family, friends, clients and customers) VOTE on November 6...YOUR BUSINESS WINS!

If Real Estate Is Your Profession, Then Politics Is Your Business!

How does MARPAC decide which candidates to support?

- The MARPAC Board of Trustees is made up of nineteen REALTORS® from all around the state.
- MARPAC's purpose is to raise funds and make political contributions to elected public officials and to candidates for elected public office, without regard to party affiliation, who by their activities, personal conduct and records of performance have demonstrated concern for and interest in the preservation of real property rights, the integrity of real estate brokering as an independent profession, and the legal and economic rights of the real estate industry.
- MARPAC is non-partisan and believes in the REALTOR® Party. MARPAC focuses strictly on the candidates' qualifications and willingness to support issues impacting the real estate industry.
- MARPAC holds a series of meetings, retreats and conference calls throughout the year to research, analyze, discuss and debate Mississippi's political landscape as well gather and share information about candidates in statewide and district races.
- A number of factors go into determining who to support in an election, including but not limited to prior voting records on REALTOR® and business issues, electability and district makeup.
- MARPAC generally supports incumbents who have supported REALTORS® and our issues. MARPAC may choose to stay out of some races completely or wait in certain races until after party primaries or runoffs before making any decisions.
- Candidates in the 17 open legislative seats around the state were interviewed in an attempt to identify the best candidate and determine whether to get involved in a particular race. Nearly 70 candidates were interviewed during the two-month process thanks to the help of local boards of REALTORS® who were invited to participate with MARPAC Trustees and MAR's Governmental Affairs Director in this important process.
- Look for more information from MARPAC in the weeks and months ahead as we prepare for the November elections.
