

Your Mississippi REALTORS® are seeking committed, knowledgeable, passionate REALTORS®!

2027 Committee Application Form

Your participation is important to the success of MAR!

Your state association is looking for applicants for a number of appointments to key MAR committees for 2027. As a member-driven association, Mississippi REALTORS® relies on its members to inform its actions and direction through active committees. These committees help form the structure of MAR, driving our work in legislation, education, professionalism, governance, finances, communications, and events.

Complete this form to select and rank your top 5 choices and return to MAR by September 3, 2026.

Please attach a resume and/or additional information on your qualifications and experience.

Most Committees will meet on February 18, 2027 and June 16, 2027.

(pending approval of the 2027 Calendar by the Board of Directors)

Committees with a different schedule are indicated.

Send completed form to MAR by email to mar@msrealtors.org. Completing the form puts your name on the list from which 2027 President Stephanie Cummins will select committee members in October. You will be notified via letter about the results of the selection process.

Deadline to submit your completed form is Thursday, September 3, 2026.

Name: _____ M1 (NRDS) #: _____ Phone: _____

Firm Name: _____ Email: _____

Home Address: _____ City, State, Zip: _____

Your Congressional District: 1 2 3 4 OR name of your U.S. Congressman: _____

Your Local Board: _____

Select and rank up to 5 choices below.

_____ Association Operations Committee

Responsible for recommending policy and monitoring implementation related to MAR financial management, budgets, investments, information systems and physical plant. Composed of 9 members, staggered 3 year terms. Each Congressional District must have at least one member. **An additional September meeting will be scheduled for budget review and other Zoom or email meetings are possible.**

_____ Communication & Information Technology Committee

Responsible for recommending policy and monitoring implementation related to MAR communications, publications and technology services. Composed of 14 members serving 3 year staggered terms. Each Congressional District must have at least 1 member.

Issues Mobilization Fund Committee

Responsible for providing financial support to state and local REALTOR® associations to enable them to organize and manage effective campaigns to promote positions on state and local public policies (governmental laws, regulations, courses of action and funding priorities) that affect REALTOR® interests; composed of ten members serving three year staggered terms, with at least one representative member from each Congressional District; the chairs of the MARPAC Trustees, the Legislative and Regulatory Affairs Committee and the Association Operations Committee, serving *ex officio*; and any member serving on the NAR State and Local Issues Mobilization Support Committee, serving *ex officio* so long as they hold such office.

Legislative & Regulatory Affairs Committee

Responsible for recommending and monitoring legislative and regulatory policy positions. Composed of members, including 1 representative from each Member Board who shall be appointed by that Board, 15 Association Past-Presidents who shall be appointed by the President, and 20 at-large members to be appointed by the President, being mindful that at-large members should include members who have not had a previous opportunity to serve on this committee. Members will serve three 3 year staggered terms. **An additional August or September meeting will be scheduled and other meetings (some by Zoom or email) are possible.**

LeadershipMAR Trustees

Responsible for acting as governors of LMAR to empower and encourage LMAR participants, give input into the development of LMAR retreat agendas and activities, identify emerging REALTOR® leaders and perform supportive tasks as needed; composed of between seven and no more than sixteen LMAR alumni serving 3 year staggered terms.

Member Services Committee

Responsible for recommending policy and monitoring implementation related to all MAR product and service offerings, meetings and conventions, and awards programs. Composed of 20 members serving 3 year staggered terms. Each Congressional District must have at least 4 members.

Mississippi REALTORS® Institute Advisory Committee

Responsible for advising MRI Director concerning operation of the Mississippi REALTORS® Institute including, but not limited to, curriculum review and development, selection and retention of instructors and development and assessment of annual goals; composed of five voting members serving three year staggered terms, appointed by the President per the following guidelines: one designated REALTOR® broker or managing broker; one REALTOR® who is a salesperson; one REALTOR® with at least one advanced NAR designation and/or having professional education experience; and two at-large REALTOR® members, being mindful that the overall membership (considering all voting and non-voting members) should include, wherever possible, at least one representative from each Congressional District. The MRI Director, the MRI Course Manager and one active member of the Instructor cadre, appointed by the President, shall serve as non-voting members. **The MRI Advisory Committee schedules additional in-person and Zoom meetings as needed.**

Professional Standards Committee

Responsible for maintaining a viable, informed professional standards enforcement program for the association. **Attendance at an annual training session at least every other year is required to serve on a hearing panel.** Composed of a minimum of 18 members, each Congressional District must have at least 4 members.

Standard Forms Advisory Committee

Responsible for advising MAR General Counsel concerning development, maintenance, updating and revision of standard forms, including form contracts posted to vendors and/or licensees, for access, reference and use by Association members. Composed of no more than 11 members serving 3 year staggered terms, with at least 1 representative member from each Congressional District. **The Standard Forms Advisory Committee will schedule additional work group and committee meetings in Jackson or on Zoom to allow for adequate time to complete its work.**

_____ **REALTOR® Engagement and Diversity Committee** Responsible, both independently and in coordination with other committees, for identifying issues and developing strategies to increase Member engagement and participation in the Association and the community; and identifying and making recommendations on how to increase and promote diversity and inclusion in REALTOR® volunteer service and leadership on a local, state and national level; composed of 17 members serving 3 year staggered terms, with at least two representative members from each Congressional District.

_____ **Appraiser/Appraisal Task Force** The Appraiser/Appraisal Task Force has been established to help provide support for appraiser members as well as educate agents about the appraisal process and how we can work better together. The Task Force includes appraisers as well as brokers, agents and broker-appraisers. Dates and locations for meetings will be determined once the group has been seated.

Other Task Forces I would like to serve on a task force to explore the following:
